Appendix 1 - Complaint Form.....	16

1. Aims

Our school aims to meet its statutory obligations when responding to complaints from parents of pupils at the school, and others.

St Mary's Church of England School, Truro, is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

When responding to complaints, we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Respect complainants' desire for confidentiality
- Treat complainants with respect and courtesy
- Make sure that any decisions we make are lawful, rational, reasonable, fair and proportionate, in line with the principles of administrative law
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into school improvement evaluation processes

We try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed.

The school will aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, we will make sure we publicise the existence of this policy and make it available on the school website.

Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

2. Legislation and guidance

This document meets the requirements of section 29 of the [Education Act 2002](#), which states that schools must have and make available a procedure to deal with all complaints relating to their school and to any community facilities or services that the school provides.

It is also based on [guidance for schools on complaints procedures](#) from the Department for Education (DfE), including the model procedure, and model procedure for dealing with serial and unreasonable complaints.

In addition, it addresses duties set out in the [Early Years Foundation Stage statutory framework](#) with regards to dealing with complaints about the school's fulfilment of Early Years Foundation Stage requirements.

3. Definitions and scope

3.1 Definitions

The DfE guidance explains the difference between a concern and a complaint:

- A **concern** is defined as “an expression of worry or doubt over an issue considered to be important for which reassurances are sought”
- A **complaint** is defined as “an expression of dissatisfaction however made, about actions taken or a lack of action”

3.2 Scope

The school intends to resolve complaints informally where possible, at the earliest possible stage.

There may be occasions when complainants would like to raise their concerns formally. This policy outlines the procedure relating to handling such complaints.

This procedure covers all complaints about any provision of community facilities or services by St Mary’s Church of England School, other than complaints that are dealt with under other statutory procedures, including those listed below.

Exceptions	Who to contact
<ul style="list-style-type: none"> • Admissions to schools • Statutory assessments of Special Educational Needs • School re-organisation proposals 	Concerns about admissions, statutory assessments of Special Educational Needs, or school re-organisation proposals should be raised with Cornwall Council.
<ul style="list-style-type: none"> • Matters likely to require a Child Protection Investigation 	Complaints about child protection matters are handled under our child protection and safeguarding policy and in accordance with relevant statutory guidance. <ul style="list-style-type: none"> • Whistleblowing 	We have an internal whistleblowing procedure for all our employees, including temporary staff and contractors. The Secretary of State for Education is the prescribed person for matters relating to education for whistleblowers in education who do not want to raise matters direct with their employer. Referrals can be made at: www.education.gov.uk/contactus .

	Volunteer staff who have concerns about our school should complain through the school's complaints procedure. You may also be able to complain direct to the LA or the Department for Education (see link above), depending on the substance of your complaint.
<ul style="list-style-type: none"> • Staff grievances 	Complaints from staff will be dealt with under the school's internal grievance procedures.
<ul style="list-style-type: none"> • Staff conduct 	<p>Complaints about staff will be dealt with under the school's internal disciplinary procedures, if appropriate.</p> <p>Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.</p>
<ul style="list-style-type: none"> • Complaints about services provided by other providers who may use school premises or facilities 	Providers should have their own complaints procedure to deal with complaints about service. Please contact them direct.
<ul style="list-style-type: none"> • National Curriculum - content 	Please contact the Department for Education at: www.education.gov.uk/contactus

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against St Mary's Church of England School in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

Complaints about services provided by other providers who use school premises or facilities should be directed to the provider concerned.

3.3 Process

Complaints against school staff (except the headteacher) should be made in the first instance, to the Headteacher via the school office. Please mark them as Private and Confidential.

Complaints that involve or are about the headteacher should be addressed to the Chair of Governors, via the school office. Please mark them as Private and Confidential.

Complaints about the Chair of Governors, any individual governor or the whole governing body should be addressed to Mrs Laura Calcraft (the Clerk to the Governing Body) via the school office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

3.4 Anonymous complaints

We will not normally investigate anonymous complaints. However, the headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

3.5 Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

3.6 Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

3.7 Resolving complaints

At each stage in the procedure, St Mary's Church of England School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

3.8 Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

3.9 Duplicate Complaints

Should the school receive a duplicate complaint after closing a complaint at the end of the complaints procedure, the school will:

- Ensure not to overlook any aspect to the complaint that might not have previously been considered. Ensure these are investigated and dealt with to the full extent of the complaints procedure.
- If the complaint is about the same subject, the school will inform the new complainant that the school has already considered that complaint and the local process is complete.

- The school will advise the new complainant to contact the department if they are dissatisfied with the school's handling of the original complaint.

3.10 Complaint Campaigns

Occasionally, schools may become the focus of a campaign, and may receive large volumes of complaints that could all be based on the same subject. In this case, the school will take the following actions:

- Send a template response to all complainants.
- Investigate publishing a single response on the school website.

4. Roles and responsibilities

4.1 The complainant

The complainant will get a more effective and timely response to their complaint if they:

- Follow these procedures
- Co-operate with the school throughout the process, and respond to deadlines and communication promptly
- Ask for assistance as needed
- Treat all those involved with respect
- Do not publish details about the complaint on social media

4.2 The investigator

An individual will be appointed to look into the complaint and establish the facts. They will:

- Interview all relevant parties, keeping notes
- Consider records and any written evidence and keep these securely
- Prepare a comprehensive report to the headteacher or complaints committee, which includes the facts and potential solutions

4.3 The complaints co-ordinator

The complaints co-ordinator can be:

- The headteacher
- The designated complaints governor
- Any other staff member providing administrative support

The complaints co-ordinator will:

- Keep the complainant up to date at each stage in the procedure
- Make sure the process runs smoothly by liaising with staff members, the headteacher, chair of governors, clerk and local authority
- Be aware of issues relating to:
 - Sharing third party information
 - Additional support needed by complainants, for example interpretation support or where the complainant is a child or young person
- Keep records

4.4 Clerk to the governing board

The clerk will:

- Be the contact point for the complainant and the complaints committee, including circulating the relevant papers and evidence before complaints committee meetings
- Arrange the complaints hearing
- Record and circulate the minutes and outcome of the hearing

4.5 Committee chair

The committee chair will:

- Chair the meeting, ensuring that everyone is treated with respect throughout
- Make sure all parties see the relevant information, understand the purpose of the committee, and are allowed to present their case

5. Principles for investigation

When investigating a complaint, we will try to clarify:

- What has happened
- Who was involved
- What the complainant feels would put things right

5.1 Time scales

The complainant must raise the complaint within 3 months of the incident. If the complaint is about a series of related incidents, they must raise the complaint within 3 months of the last incident.

We will consider exceptions to this timeframe in circumstances where there were valid reasons for not making a complaint at that time and the complaint can still be investigated in a fair manner for all involved.

When complaints are made out of term time, we will consider them to have been received on the first school day after the holiday period.

If at any point we cannot meet the timescales we have set out in this policy, we will:

- Set new time limits with the complainant
- Send the complainant details of the new deadline and explain the delay

5.2 Complaints about our fulfilment of early years requirements

We will investigate all written complaints relating to the school's fulfilment of the Early Years Foundation Stage requirements, and notify the complainant of the outcome within 28 days of receiving the complaint. The school will keep a record of the complaint (see section 10) and make this available to Ofsted on request.

Parents and carers can notify Ofsted if they believe that the school is not meeting Early Years Foundation Stage requirements, by calling 0300 123 4666, or by emailing enquiries@ofsted.gov.uk. An online contact form is also available at <https://www.gov.uk/government/organisations/ofsted/org-contacts>.

We will notify parents and carers if we become aware that the school is to be inspected by Ofsted. We will also supply a copy of the inspection report to parents and carers of children attending the setting on a regular basis.

6. Stages of complaint (not complaints against the headteacher or governors)

6.1 Stage 1: informal

The school will take informal concerns seriously and make every effort to resolve the matter quickly. It may be the case that the provision or clarification of information will resolve the issue.

The complainant should raise the complaint as soon as possible with the relevant member of staff or the headteacher as appropriate, either in person or by letter, telephone or email. If the complainant is unclear who to contact or how to contact them, they should contact the school office on 01872 276689 or via email: secretary@st-marys-truro.cornwall.sch.uk.

The school will acknowledge informal complaints within 5 school days (written or via email), and investigate and provide a written response within 10 school days.

Within this response, the headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

During the investigation, the headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the headteacher will provide a formal written response within ten school days of the date of receipt of the complaint.

If the headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions St Mary's Church of England School will take to resolve the complaint.

The headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

If the complaint is about the headteacher, or a member of the governing body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 1.

Complaints about the headteacher or member of the governing body must be made to the Clerk, via the school office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 1 will be considered by an independent investigator appointed by the governing body or the Diocese of Truro (01872 274351). At the conclusion of their investigation, the independent investigator will provide a formal written response.

6.2 Stage 2: formal

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting with members of the governing body’s complaints committee, which will be formed of the first three, impartial, governors available. This is the final stage of the complaints procedure.

Formal complaints can be raised:

- By letter or email
- Over the phone
- In person
- By a third party acting on behalf of the complainant

The complainant should provide details such as relevant dates, times, and the names of witnesses of events, alongside copies of any relevant documents, and what they feel would resolve the complaint.

If complainants need assistance raising a formal complaint, they can contact the school office on 01872 276689 or via email: secretary@st-marys-truro.cornwall.sch.uk.

A request to escalate to Stage 2 must be made to the Clerk, via the school office, within ten school days of receipt of the Stage 1 response.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within ten school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within fifteen school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant’s absence on the basis of written submissions from both parties.

The complaints committee will consist of at least three governors with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three governors from St Mary’s Church of England School available, the Clerk will source any additional, independent governors through another local school or through their LA’s Governor Services team, in order to make up the committee. Alternatively, an entirely independent committee may be convened to hear the complaint at Stage 2.

The committee will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the complainant’s needs.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least ten school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least ten school days before the meeting.

Any written material will be circulated to all parties at least five school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and St Mary's Church of England School with a full explanation of their decision and the reason(s) for it, in writing, within ten school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by St Mary's Church of England School.

If the complaint is:

- jointly about the Chair and Vice Chair or

- the entire governing body or
- the majority of the governing body

Stage 2 will be heard by a committee of independent governors.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions St Mary's Church of England School will take to resolve the complaint.

The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

7. Complaints against the headteacher, a governor or the governing board

7.1 Stage 1: informal

Complaints made against the headteacher or any member of the governing board should be directed to the clerk to the governing board in the first instance.

If the complaint is about the headteacher or 1 member of the governing board (including the chair or vice-chair), a suitably skilled and impartial governor will carry out the steps at stage 1 (set out in section 6 above).

7.2 Stage 2: formal

If the complaint is:

- Jointly about the chair and vice-chair or
- The entire governing board or
- The majority of the governing board

An independent investigator will carry out the steps in stage 2 (set out in section 6 above). They will be appointed by the governing board or diocese and will write a formal response at the end of their investigation.

7.3 Stage 3: review panel

If the complaint is:

- Jointly about the chair and vice-chair or
- The entire governing board or
- The majority of the governing board

A committee of independent governors will hear the complaint. They will be sourced from local schools, the local authority or diocese and will carry out the steps set out in section 6 above.

8. Referring complaints on completion of the school's procedure

If the complainant is unsatisfied with the outcome of the school's complaints procedure, they can refer their complaint to the DfE.

The DfE will not re-investigate the matter of the complaint. It will look at whether the school's complaints policy and any other relevant statutory policies that the school holds were adhered to. The DfE also looks at whether the school's statutory policies adhere to education legislation.

The DfE will intervene where a school has:

- Failed to act in line with its duties under education law
- Acted (or is proposing to act) unreasonably when exercising its functions

If the complaints procedure is found to not meet regulations, the school will be asked to correct its procedure accordingly.

For more information or to refer a complaint, see the following webpage:

<https://www.gov.uk/complain-about-school>

We will include this information in the outcome letter to complainants.

9. Persistent complaints

9.1 Unreasonably persistent complaints

Most complaints raised will be valid, and therefore we will treat them seriously. However, a complaint may become unreasonable if the person:

- Has made the same complaint before, and it's already been resolved by following the school's complaints procedure
- Makes a complaint that is obsessive, persistent, harassing, prolific, defamatory or repetitive
- Insists on pursuing a complaint that is unfounded, or out of scope of the complaints procedure, beyond all reason
- Pursues a valid complaint, but in an unreasonable manner e.g. refuses to articulate the complaint, refuses to co-operate with this complaints procedure, or insists that the complaint is dealt with in ways that are incompatible with this procedure and the timeframes it sets out
- Makes a complaint designed to cause disruption, annoyance or excessive demands on school time
- Seeks unrealistic outcomes, or a solution that lacks any serious purpose or value

Steps we will take

We will take every reasonable step to address the complainant's concerns, and give them a clear statement of our position and their options. We will maintain our role as an objective arbiter throughout the process, including when we meet with individuals. We will follow our complaints procedure as normal (as outlined above) wherever possible.

If the complainant continues to contact the school in a disruptive way, we may put communications strategies in place. We may:

- Give the complainant a single point of contact via an email address
- Limit the number of times the complainant can make contact, such as a fixed number per term
- Ask the complainant to engage a third party to act on their behalf, such as [Citizens Advice](#)
- Put any other strategy in place as necessary

Stopping responding

We may stop responding to the complainant when all of these factors are met:

- We believe we have taken all reasonable steps to help address their concerns
- We have provided a clear statement of our position and their options

- The complainant contacts us repeatedly, and we believe their intention is to cause disruption or inconvenience

Where we stop responding, we will inform the individual that we intend to do so. We will also explain that we will still consider any new complaints they make.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from our school site.

9.2 Duplicate complaints

If we have resolved a complaint under this procedure and receive a duplicate complaint on the same subject from a partner, family member or other individual, we will assess whether there are aspects that we hadn't previously considered, or any new information we need to take into account.

If we are satisfied that there are no new aspects, we will:

- Tell the new complainant that we have already investigated and responded to this issue, and that the local process is complete
- Direct them to the DfE if they are dissatisfied with our original handling of the complaint

If there are new aspects, we will follow this procedure again.

9.3 Complaint campaigns

Where the school receives a large volume of complaints about the same topic or subject, especially if these come from complainants unconnected with the school, the school may respond to these complaints by:

- Publishing a single response on the school website
- Sending a template response to all of the complainants

If complainants are not satisfied with the school's response, or wish to pursue the complaint further, the normal procedures will apply.

10. Record keeping

The school will record the progress of all complaints, including information about actions taken at all stages, the stage at which the complaint was resolved, and the final outcome. The records will also include copies of letters and emails, and notes relating to meetings and phone calls.

This material will be treated as confidential and held centrally, and will be viewed only by those involved in investigating the complaint or on the review panel.

This is except where the secretary of state (or someone acting on their behalf) or the complainant requests access to records of a complaint through a freedom of information (FOI) request or through a subject access request under the terms of the Data Protection Act, or where the material must be made available during a school inspection.

Records of complaints will be kept securely, only for as long as necessary and in line with data protection law, our privacy notices and record retention schedule.

The details of the complaint, including the names of individuals involved, will not be shared with the whole governing board in case a review panel needs to be organised at a later point.

Where the governing board is aware of the substance of the complaint before the review panel stage, the school will (where reasonably practicable) arrange for an independent panel to hear the complaint.

Complainants also have the right to request an independent panel if they believe there is likely to be bias in the proceedings. The decision to approve this request is made by the governing board, who will not unreasonably withhold consent.

11. Learning lessons

The governing board will review any underlying issues raised by complaints with the headteacher where appropriate, and respecting confidentiality, to determine whether there are any improvements that the school can make to its procedures or practice to help prevent similar events in the future.

12. Monitoring arrangements

The governing board will monitor the effectiveness of the complaints procedure in making sure that complaints are handled properly. The governing board will track the number and nature of complaints, and review underlying issues as stated in section 11.

The complaints records are logged and managed by the school office.

This policy will be reviewed by governing board annually.
