

Year 6 Exit Questionnaire - July 2023

Parents were surveyed at the end of the summer term, 2023. The responses are from Year 6 parents whose children were leaving St Mary's for secondary school.

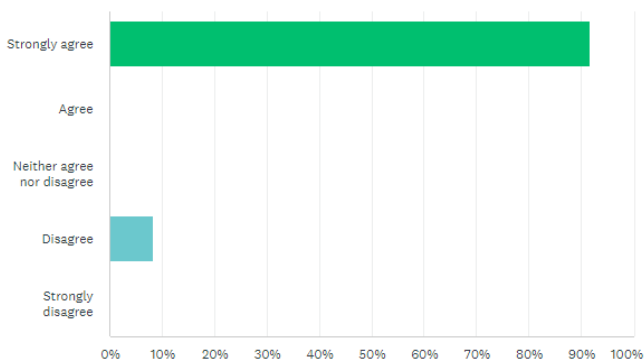

<p>Absolutely Superb School, All three of my children have attended over 11 years & the whole school, teaching staff & my children's journey have been fantastic, Thank you All For Everything.</p>	<p>Sad my child will be leaving an amazing, supportive school that has helped my child to flourish</p>	<p>This school is the best!</p>
<p>My child has had a great time at St Marys and excelled in his learning. He has grown in confidence and we are proud of the young man he is becoming. Thank you St Marys</p>	<p>St Mary's has been a wonderful place for both the boys to grow and be supported throughout primary school. It has been lovely to see them championed for who they are and helped to grow in their abilities.</p>	<p>We're ever so pleased that our child attended St. Mary's. The staff have truly given him a splendid beginning in life.</p>
<p>My child has been supported academically, emotionally and socially. Whenever we had concerns as parents, we were listened to and we worked together with the teachers to find a solution to the issue. Our children were part of that process, enabling them to learn skills to overcome issues in life. Thank you so much to ALL of the staff for providing our child with a great start to their education. We are very grateful that our son has had fantastic opportunities at St. Mary's and was brought up in a caring, inclusive school environment.</p>	<p>There was a general feeling that the science provision could have been more investigative and engaging, as sometimes some of the awe and wonder of science has been lost in the way it is currently delivered. Otherwise our children have both loved being part of the school and the provision for extracurricular activities has always been excellent. We have enjoyed being part of a smaller community for so many years and thank the teachers and other staff for everything they do each day to make the school a safe, happy and productive place to learn.</p>	

(A selection of feedback from parents)

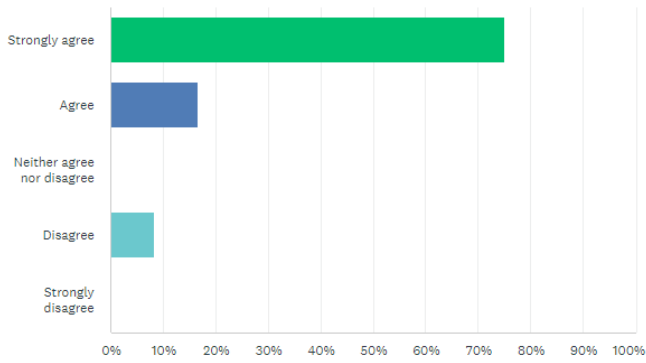

'My child is happy at school'

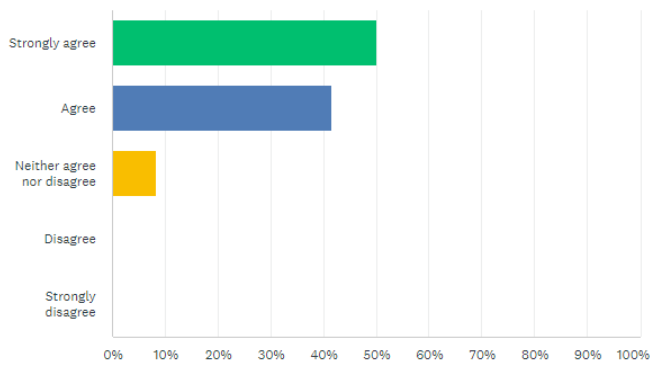

'My child feels safe at school'

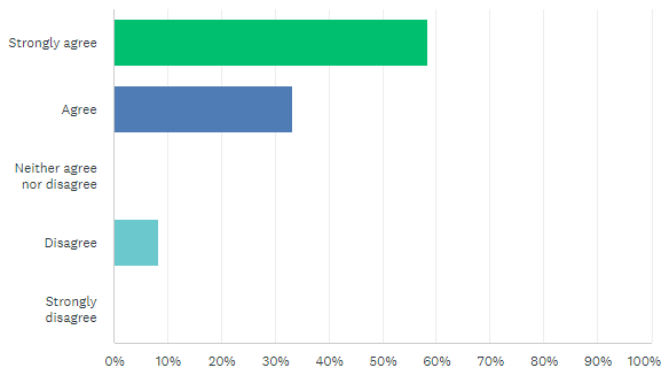

'My child makes good progress at school'

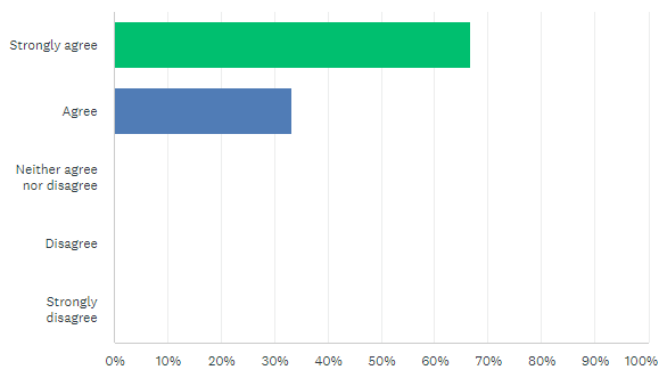

'St Mary's makes sure its children are well behaved'
